ENERGY EFFICIENCY ADVISORY COUNCIL

NOTICE OF PUBLIC “Webinar” MEETING

The Energy Efficiency Advisory Council (“Council”) established pursuant to section 22 of Chapter 25 of the Massachusetts General Laws announces a “webinar” to be held on-line. The Council’s “webinar” entitled “Recent EM&V Results and Potential Implications” will be held **on June 25, 2012 at 10:00 am until 12:00 pm**. To register (mandatory) for the on-line meeting, please go to this web address:

<https://www2.gotomeeting.com/register/775838082>. Each registrant will receive instructions via email about joining the video portion (unique link and ID) and audio portion (via dial-in or VoIP through your computer microphone and speaker or headset, which is recommended). To attend via phone, dial: 1(702) 489-0001. The Access Code is 638-922-869.

The purpose of this online, scoping meeting is to review and discuss recent Evaluation, Measurement and Verification (EM&V) results, and the potential implications of these results for energy efficiency policies, program design and delivery. During the webinar the Council Consultants will summarize recent key EM&V results, with periodic opportunities for questions, comments and discussion.

These matters all relate to the continuing review and evaluation of the Three-Year Energy Efficiency Investment Plans of electric distribution companies, natural gas distribution companies, and municipal aggregators. This notice is provided pursuant to Massachusetts General Laws Chapter 30A, Section 11A ½.
